Dear members of the Fraternity and Sorority Community,

Due to a serious alcohol incident last evening involving members and non-members of one of our fraternities, I am placing all fraternity and sorority organizations on modified Interim Social Probation until further notice. The circumstances surrounding this incident are extremely concerning and disappointing.

While this incident is being investigated, your organizations are not permitted to host any events where alcohol is present.

This is a sobering reminder of the importance of examining the culture of our campus and our collective and individual roles in defining who you are and who you ought to be as a fraternity and sorority community. I look forward to our discussions.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenyon Bonner", with a long horizontal flourish extending to the right.

Kenyon Bonner  
Vice Provost and Dean of Students
