Pitt Script Logo Usage Guidelines for Registered Student Organizations
Revised March 9, 2017

- Registered student organizations will be permitted to use the Pitt Script logo under the guidelines below.
- Registered student organizations may not use the Pitt Block logo, University Seal, Cathedral of Learning, or either Panther head. See page 5.
- All uniform, merchandise, and apparel requests must be submitted for approval to the Office of Trademark Licensing and must be purchased from a licensed vendor. See page 2.

1. PITT CLUB SPORTS: Competitive and Game Day Uniforms
- Pitt Club Sports (PCS) are granted the privilege of using the Pitt Script logo under these guidelines and with approval. Pitt Club Sports may use the word PITT as part of their organization’s name. However, Pitt Club Sports that also have a varsity program at the University must denote “Club” in front of their sport name (e.g., baseball, basketball, cross country, football, gymnastics, soccer, softball, swimming/diving, tennis, track/field, wrestling and volleyball). PCS will have two years to transition their competitive jerseys to these guidelines.
- The PCS patch will be the primary logo for the Pitt Club Sports teams. See page 3.

Permitted:
- Use navy, Vegas gold, white, or black for competitive uniforms. See color options and Pantone colors on pages 3 and 4.
- Choose from three options for competitive uniforms. The PCS patch must appear on all PCS team uniforms. See placement options on page 3.
  1. Use the Pitt Script logo alone with the PCS patch placed on the jersey (can leave “Club Sports” on the banner of the PCS patch or change it to the team name—e.g., “Club Volleyball”.
  2. Use the Pitt Script logo with “Club _____” underneath it with the PCS patch. See spacing and sizing options on page 6.
  3. Use the PCS patch as the primary mark on the front of the PCS team jersey.
- Use Helvetica Bold in all caps for the sport name under the Pitt Script logo.

Not Permitted:
- Do not use the colors yellow and royal blue for competitive uniforms, apparel, or merchandise in conjunction with any University trademark.
- Do not manipulate the Pitt Script Logo in any way, including, but not limited to, turning it on its side. There may be no graphics that cover, clutter, or take away from the Pitt Script Logo.
- Do not use the Pitt Block logo, University seal, Cathedral of Learning, or Panther head designs.
- Do not use the Pitt Script logo on competitive uniforms without also using the PCS patch. See page 3.
- Do not use the Pitt Script logo on stationery (print or electronic) or business cards or in the return address of any printed piece.
- Do not use the Pitt Script logo on the masthead of print or electronic newsletters.

PITT CLUB SPORTS: Noncompetitive Apparel
- Use of the PCS patch is not required on regular, noncompetitive apparel, but it may be used as the primary logo or added to another area of the apparel if the team chooses.
- PCS teams may use the Pitt Script logo with their team name underneath it in Helvetica Bold typed in all caps.
  1. Pitt Club Sports that also have a varsity program at the University must denote “Club” in front of their sport name (e.g., baseball, basketball, cross-country, football, gymnastics, soccer, softball, swimming/diving, tennis, track/field, wrestling, and volleyball). Otherwise, on noncompetitive apparel, teams without an affiliated varsity sport do NOT have to denote the word “Club” in front of their team name (e.g., lacrosse, hockey, hurling).
- Teams that have an approved preexisting logo may use it on their noncompetitive apparel.
- Alternate colors (excluding yellow and royal blue) for noncompetitive apparel may be approved.
2. OTHER REGISTERED STUDENT ORGANIZATIONS

Registered student organizations and noncompetitive club sports teams will be permitted to use the Pitt Script logo under the following guidelines.
