

The H1B records below list the companies that have submitted the greatest number of H1B visa petitions for this location.

This information was gathered directly from Department of Labor (DOL) records, which is the government agency responsible for all H1B submissions. Every quarter, DOL makes available a listing of all companies who have submitted H1B visa applications for the most recent 3 months for which records are available. The records contained in Going Global's H1B Plus database contains the most recent 12-month period of records available.
