Dear University of Pittsburgh Student:

As part of the campus-wide master planning effort, the University of Pittsburgh is evaluating its existing and future recreation and student life needs. Input from undergraduate and graduate students living both on and off-campus is essential to the success of our efforts. This is a chance for you to share your thoughts on the current state of our recreation offerings and student unions, and where you would like to see them be in the future.

We will be conducting in-person focus groups on campus next Wednesday, November 8, 2017 from 4:00pm-7:00pm in the University Club, Gold Room on the second floor. Snacks and beverages will be provided to all participants. The schedule for the focus groups is as follows:

4:00pm – 4:45pm: On-Campus Undergraduate Students
5:00pm – 5:45pm: Off-Campus Undergraduate Students
6:00pm – 6:45pm: Graduate Students

I greatly appreciate you taking the time to participate in this important project for the University, and encourage you to spread the word to friends and classmates.

Sincerely,

Kenyon R Bonner
Vice Provost and Dean of Students
