Renovations have begun on the Men’s and Women’s pool locker rooms at Trees Hall. The pool locker rooms will be under construction through August 2016. This short-term inconvenience will lead to long-term benefits for the whole Pitt community! Recreational swimmers, as well as those attending swimming classes and other aquatic programs must use the main locker rooms located on the first floor.

Some changes you will observe:

- A carpet leading to the pool entrance has been installed on the first floor of Trees. We ask that swimmers stay on the carpet to keep the floors dry and prevent slips and falls.

- **Keys are no longer issued for lockers.** Swimmers must bring a lock with them each time they swim. Personal locks left on overnight will be cut and the locker contents stored.

- Locker rental at Trees Hall is available; check out [www.REC.PITT.EDU](http://www.REC.PITT.EDU) for locker rental information.

- First floor locker room’s hours have been extended during renovation:
