Guidelines for use of University logos on merchandise and apparel

The University's Institutional mark (Shield and Signature) or Spirit mark (Script Pitt) may be used only when the organization's name includes one of the following words on the merchandise: organization, club, council, society or chapter*. For example, an organization's name could appear under Script Pitt as "Keep It Real Club."

- Script Pitt marks **may only appear in Royal (PMS 661C) and Gold (PMS 1235C).**

No other color combinations are permitted unless approved by the Director of Licensing & Merchandise. University Shield may only appear in 3-color, blue, white, black, or a 2-color white with gold (see Permitted Shield Colors).

- Student Organizations may have independent logos, however, University marks, trademarks or wordmarks may not be incorporated into the Organization's University logos.
- A University logo cannot be manipulated in any way, including but not limited to turning it on its side. NO graphic may cover, clutter or take away from a University logo.
- All merchandise and apparel must be submitted for approval by the officially licensed vendor to the Office of Trademark Licensing.

Approval Process for All Merchandising

To protect the intellectual property, branding and traditions of the University of Pittsburgh, the Director of Licensing & Merchandising reviews all products bearing University of Pittsburgh trademarks and logos. All such merchandise must be produced by a vendor licensed with College Licensing Company. Such vendors have access to the University of Pittsburgh's trademarks and logos, have been vetted for product quality and have sufficient product liability insurance in the event of a defect. All licensed vendors are required to comply with fair labor codes.
