A Letter From

the Office of Fraternity and Sorority Life

As always, we are proud to present the achievements of the University of Pittsburgh Fraternity and Sorority Life Community in this 2022-2023 Community Report. This report contains data on academics, membership, and community impact. We hope this report will give you an idea of what our community values are. It has been another challenging year as our students continued to adapt to classes and activities being back in person, learning how to navigate the balance of more in-person classes, meetings and events while keeping the mission and values of their organizations alive. We are so proud of everything that has been accomplished this year. We are continually impressed by our members' efforts and successes in representing Fraternity and Sorority Life in a positive light.

During Homecoming 2022 the National Pan-Hellenic Council (NPHC) assisted with bringing back the annual Homecoming Stroll Competition, the last competition being in 2019. NPHC welcomed over 300 students, Alumni, faculty, and staff to enjoy the competition. This was also a joyful way of having our chapters Alumni return to their Alma Mater to fellowship and enjoy the competition.

Our Collegiate Panhellenic Association (Panhel) had an extremely successful full-in-person recruitment in almost 2 years, welcoming over 470 new members in total! Along with this accomplishment, Panhel also hosted their first in-person Alumni Brunch since the pandemic. Alumni from all over the City of Pittsburgh gathered to fellowship and listen to Guest Speaker Dr. Thea Zunick speak about resiliency.

The Interfraternity Council (IFC) made it a mission to focus on mental health and healthy masculinity this academic year. Bringing in various Guest Speakers to discuss topics within these issues, helped our students grow in more professional ways, and taught them how to show brotherhood to one another.

Additionally, our Tri Council community came together to put on a week-long of fun and educational programs for Greek Week, ending the week with fantastic performances during our Greek Sing event. Once again, this event was held outdoors during the Bigelow Bash weekend, which allowed our Fraternity and Sorority Life (FSL) community to flourish and shine in front of not only over 2,000 students, but also newly admitted students to the University.

We welcomed Sigma Chi fraternity and Alpha Sigma Phi fraternity on campus this year. We are looking forward to seeing what all these chapters will accomplish and the way they will impact our community.

These highlights only skim the surface of all we must be proud of this year as you will see below.

Please enjoy this year's report and learn more about the fraternity and sorority life experience here at the University of Pittsburgh.

Sincerely,

Office of Fraternity and Sorority Life Staff

A note on Evolution of Data Acquisition and Distribution: While we have been proud of the past accomplishments and achievements of our community, we also seek to grow and evolve how we serve you. As you'll note in this report, we've added additional metrics that have been requested by advisors and students. If there are additional datapoints you believe we can add to these reports, please do not hesitate to ask.

Note: Our community contains valued members who do not identify with either “man” or “woman”. This report is limited by the data the University collects on gender identity. While Pitt did not previously collect non-binary as a gender category, Pitt will collect and report this moving forward. We hope to be able to incorporate that data in future reports. The Office of Fraternity and Sorority Life respects and values the non-binary members of our community, we hope that will eventually be reflected in the data we share. As historically single-gendered organizations, it has been helpful to use the “women” and “men” GPAs as a benchmark. Please review the Office of Equity, Diversity, and Inclusion’s Student Diversity Dashboard.

Greek Week

Greek Week is a series of events held every year to provide opportunities for all three councils. It is an opportunity for members from all chapters to build relationships, engage in friendly competition, impact the community, express their creativity, and have fun. Greek Week's events are concentrated in one week of programming in the spring semester, but there are events that take place all year long. Chapters are grouped in teams that work together to earn points, and winners are awarded at the end of Greek Week. This year's Greek Week Board was an exceptionally dedicated group and they worked hard to successfully plan a fun and engaging Greek Week, embracing the return to traditions as well as incorporating exciting new elements. Greek Week was an opportunity to build relationships, engage in important discussion, and impact both the community.

Some highlights from this year's Greek Week:

- **Greek Sing** took place in person, collaborating with Pitt Program Council for an outdoors event on a bigger stage than previous years. The event drew over 2,000 dedicated attendees who stood in a mix of rain, sunshine, and sleet to watch each team's creative dance routines and themes
- **770 blood donations** from our community during Greek Week Blood Drives, benefitting over 2,300 hospital patients
- **2 successful donation drives:**
1,730 clothing items donated to Thriftsburgh and a successful food drive benefitting the Pitt Pantry
- **Over 800 members** attended the Alina's Light Presentation focusing on Domestic Violence, the signs, and how we can help to prevent Domestic Violence.

Cathedral Standards of Excellence

CATHEDRAL STANDARDS OF EXCELLENCE

The purpose of the Cathedral Standards of Excellence Program is to establish standards to ensure that every social fraternal organization at the University of Pittsburgh is fully committed to the highest quality of student experience for each of its members, with particular emphasis on academic achievement and campus involvement as defined by each organization.

The Office of Fraternity and Sorority Life believes the Cathedral Standards of Excellence Program will form a basic standard for all fraternal organizations, and assist in supporting each organization's development. The Cathedral Standards of Excellence Program will provide a framework for self-assessment, individual and group accountability, greater achievement of organizational goals, and the development of programs and practices that will lead to substantial enrichment of the fraternity and sorority experience. This program recognizes and rewards those organizations that consistently exceed expectations as well as provides guidance and support to those organizations that fail to meet the expectations of the University and the Fraternity and Sorority Life Community.

CHAPTERS ARE EVALUATED ON THE FOLLOWING STANDARDS:

- ★ ACADEMICS (A)
- ★ MEMBER DEVELOPMENT (MD)
- ★ CHAPTER RESPONSIBILITY (CR)
- ★ POSITIVE RELATIONSHIPS (PR)
- ★ CIVIC ENGAGEMENT (CE)

Chapters will be given results on a **FIVE-STAR SCALE** to correspond with the five categories of the Cathedral Standards of Excellence. Chapters will be given a star for each category in which they complete the minimum requirements.

Chapters met requirements in each category. These chapters will be considered for the Cathedral Award of Distinction and recognized at the FSL Awards.

Chapter met requirements in four categories.

Chapter met requirements in three categories.

OR

OR INSUFFICIENT CHAPTERS

Chapter met requirements in two or fewer categories. Chapters at this level are considered to have not met our community standards. These chapters will participate in regular meetings with their Chapter Coach in order to work toward meeting minimum standards by end of the next year.
