A Letter From

the Office of Fraternity and Sorority Life

As always, we are proud to present the achievements of the University of Pittsburgh Fraternity and Sorority Life Community in this 2023-2024 Community Report. This report contains data on academics, membership, and community impact. We hope this report will give you an idea of what our community values are. We navigated the departure of Associate Director Rich Fann and welcomed our new Program Coordinator Maria Hays. With Alexis fully transitioned into the role of Assistant Director, with the guidance from Assistant Dean Gretchen Carlson Natter, Alexis lead the team and the students into what we can only describe as a challenging but incredibly successful year. We are so proud of everything that has been accomplished this year. We are continually impressed by our members' efforts and successes in representing Fraternity and Sorority Life in a positive light.

Early in the Spring, the Eta Nu Chapter of Iota Phi Theta Fraternity, Inc. made University of Pittsburgh history with the induction of their first member on Pitt's campus! Similarly, the National Pan-Hellenic Council had the highest intake class to date.

Our Collegiate Panhellenic Association had the biggest recruitment to date, with over 600 Potential New Member registrations and 477 new member's total! Alpha Sigma Kappa, Women in Technical Studies, received their chapter charter this year and has officially been named the Tau Chapter of Alpha Sigma Kappa.

Sigma Chi received their charter in the spring, officially becoming the Beta Theta Chapter of Sigma Chi Fraternity.

Additionally, our Tri Council community came together to put on a week-long of fun and educational programs for Greek Week, ending the week with fantastic performances during our Greek Sing event. Once again, this event was held outdoors during the Bigelow Bash weekend, which allowed our Fraternity and Sorority Life (FSL) community to flourish and shine in front of not only over 2,000 students, but also newly admitted students to the University.

To end an already eventful and exciting semester, we welcome Hammed Sirleaf Jr. to our team as the Associate Director. Hammed comes to us from the University of Missouri (Mizzou) with an excitement to lead the team into new directions!

These highlights only skim the surface of all we must be proud of this year as you will see below.

Please enjoy this year's report and learn more about the fraternity and sorority life experience here at the University of Pittsburgh.

Sincerely,

Office of Fraternity and Sorority Life Staff

A note on Evolution of Data Acquisition and Distribution: While we have been proud of the past accomplishments and achievements of our community, we also seek to grow and evolve how we serve you. As you'll note in this report, we've added additional metrics that have been requested by advisors and students. If there are additional datapoints you believe we can add to these reports, please do not hesitate to ask.

Note: Our community contains valued members who do not identify with either “man” or “woman”. This report is limited by the data the University collects on gender identity. While Pitt did not previously collect non-binary as a gender category, Pitt will collect and report this moving forward. We hope to be able to incorporate that data in future reports. The Office of Fraternity and Sorority Life respects and values the non-binary members of our community, we hope that will eventually be reflected in the data we share. As historically single-gendered organizations, it has been helpful to use the “women” and “men” GPAs as a benchmark. Please review the Office of Equity, Diversity, and Inclusion’s Student Diversity Dashboard.

Greek Week

Greek Week is a series of events held every year to provide opportunities for all three councils. It is an opportunity for members from all chapters to build relationships, engage in friendly competition, impact the community, express their creativity, and have fun. Greek Week's events are concentrated in one week of programming in the spring semester, but there are events that take place all year long. Chapters are grouped in teams that work together to earn points, and winners are awarded at the end of Greek Week. This year's Greek Week Board was an exceptionally dedicated group and they worked hard to successfully plan a fun and engaging Greek Week, embracing the return to traditions as well as incorporating exciting new elements. Greek Week was an opportunity to build relationships, engage in important discussion, and impact both the community.

Some highlights from this year's Greek Week:

- This year the Greek Week brought back community favorite **Archie Messersmith-Bunting from Archie Cares!** He gave an impactful mental health presentation on leading during turbulent times.
- **The Student Government Board Sustainability Committee gave a program on sustainability and single use plastics.**
- Greek Sing took place in person, once again collaborating with Pitt Program Council for an outdoor event with **over 2,000 dedicated attendees** who stood in the cool but sunny weather to watch each team's creative dance routines and themes. This year we were delighted to have our National Pan-Hellenic Chapters preform their signature step and stroll routines in between the Greek Sing Teams' performances!
- **259 blood donations** from our community during Greek Week Blood Drives
- **A successful donation drive**
- **1,164 clothing items** donated to Thriftsburch

Cathedral Standards of Excellence

CATHEDRAL STANDARDS OF EXCELLENCE

The purpose of the Cathedral Standards of Excellence Program is to establish standards to ensure that every social fraternal organization at the University of Pittsburgh is fully committed to the highest quality of student experience for each of its members, with particular emphasis on academic achievement and campus involvement as defined by each organization.

The Office of Fraternity and Sorority Life believes the Cathedral Standards of Excellence Program will form a basic standard for all fraternal organizations and assist in supporting each organization's development. The Cathedral Standards of Excellence Program will provide a framework for self-assessment, individual and group accountability, greater achievement of organizational goals, and the development of programs and practices that will lead to substantial enrichment of the fraternity and sorority experience. This program recognizes and rewards those organizations that consistently exceed expectations as well as provides guidance and support to those organizations that fail to meet the expectations of the University and the Fraternity and Sorority Life Community.

CHAPTERS ARE EVALUATED ON THE FOLLOWING STANDARDS:

- ★ ACADEMICS (A)
- ★ MEMBER DEVELOPMENT (MD)
- ★ CHAPTER RESPONSIBILITY (CR)
- ★ POSITIVE RELATIONSHIPS (PR)
- ★ CIVIC ENGAGEMENT (CE)

This year, the Cathedral Standards of Excellence Program saw a rather large change. Instead of the traditional check box system of completion, we transitioned to a points system. In order to be eligible for the Cathedral Cup, chapters had to complete a certain number of points in each category, as well as receive 5 star chapter status.

Chapters received between 185 and 250 points.

Chapter received between 142 and 184 points.

Chapters received between 98 and 141 points. This was the expectation of chapters to complete at minimum 98 points.

OR

OR INSUFFICIENT CHAPTERS

Chapters received 97 or fewer points. Chapters at this level are considered to have not met our community standards. These chapters will participate in regular meetings with their Chapter Coach to work toward meeting minimum standards by end of the next year.
