WELLNESS CENTER Late-Night Mini-Grant Program

Program Overview:

The Late-Night Mini-Grant Program is designed to support late night social and recreational programming through Mini-Grants to student groups that seek to offer such programs.

Guidelines:

Grant Amount
Undergraduate student groups can apply for up to but not more than $1000.00 for a single event; funding may be granted in partial or full amounts.

Deadline
All mini-grant applications for the Fall 2018 and Spring 2019 Semesters will be accepted as rolling admissions. The Mini-Grants Committee will be accepting applications throughout the semester until the funding source has been depleted. Applications which are submitted promptly are more likely to receive adequate funding.

Decision-making
All applications for mini-grants are administered through the Wellness Center, Division of Student Affairs. The Mini-Grants Committee will meet to review and award mini-grants the week following the deadline cut-off. A member of the Committee will be in contact with those awarded grants. Applicants should be aware that it is at the discretion of the Mini-Grants Committee to determine funding based on the quality of the application.

Eligible Applicants:

Events being considered for funding should be a fun, creative social event that will occupy and engage participants throughout the evening. The event does not exist to primarily serve organization members only. It is preferred that events be open to non-members as well.

To be considered, your event must meet the following criteria:

- Open to (and designed to appeal to) the Pitt undergraduate student body;
- Substance-free, Alcohol-free
- **Be open through Midnight**
- Be held on a Friday or Saturday night;
- Must be located on campus;
- Event does not serve as fundraisers for an organization or cause
Preference is given to programs that:
  o Do not charge an admission or entry fee
  o **Begin at or after 10 P.M.**
  o Have programs that run past midnight
  o Receive additional funding from another source
  o Collaborative efforts from multiple student organizations
  o Likely to attract a large number of students

**Grant Requirements:**

Each student group that receives a mini-grant is responsible for assigning a student representative to the following tasks. Failure to complete the requirements will result in the student group not to be considered for a mini-grant award in the next semester.

**Marketing**

All mini-grant events must be aggressively marketed to the University of Pittsburgh student body. Applications should detail planned marketing efforts. All advertising must note that the event is **sponsored or co-sponsored by a Wellness Center Late-Night Mini-Grant**. If any aspect of your event changes (location, event time, etc.) **you must notify the committee immediately**. If additional Pitt News advertising is required, please detail this in your marking strategy.

**Evaluation**

The student organization must conduct an evaluation during the event. All attendees must complete a survey during the event. The survey is included in this application packet, online. A summary report and collected surveys must be turned in to Marian Vanek, Executive Director, Wellness Center, within two weeks following the event.

**Final Report**

The student representative must complete a one-page, typed report. The report should describe the event in detail, including such items as the time, date, number of people, cost, etc. Be sure to indicate if the event was successful/unsuccessful.

**Accounting Follow-up**

The student representative should contact SORC regarding distribution of funds and additional payment options. All payment processing and reimbursement is done through the SORC.
Mini-Grant Checklist

Please refer to the checklist to ensure that your group is adhering to the requirements for the mini-grant application.
